SUMMARY

Certified Full Stack Java Developer with expertise in web technologies. A results-driven computer science graduate with a solid foundation in Java programming and a keen interest in web development. Proficient in HTML, CSS, and JavaScript, demonstrated through hands-on experience in personal projects. Committed to delivering clean, maintainable, and scalable code, with a strong focus on quality and efficiency. Eager to leverage my skills and knowledge as a Java developer while continuously expanding expertise in this dynamic field. Seeking opportunities to contribute to impactful projects and drive the growth of forward-thinking organizations.
